Dear Sir:-

In re: Jane Gibson.

I spoke to Mr. Watson and he had a talk with Walter C. Sedam. Sedam is still attorney for Mrs. Gibson. He informed Mr. Watson that while she was his client, she was hard to get money from and was an unreliable sort of person. He had nothing of any great value except that he said that Mrs. Gibson had a 'phone in her home at the time the murder was committed.

Yours truly,

David Thompson.
